Primexis announces the appointment of two specialists in Real Estate Investment and Private Equity

Primexis, an operational consulting and specialized accounting firm, announces the appointment of Jack Capps as Partner and Julien Beaucé as Director.

This development aligns with the 2024-2027 strategic plan and reflects the firm's desire to build on its expertise in order to assist with increasingly more complex transactions in an international and regulatory environment under constant change.

Primexis thus consolidates a model founded on specialized expertise and operational assistance with 80 experts in Real Estate Investment & Hospitality and 40 specialists in Private Equity.

Jack Capps appointed Real Estate Partner

Jack Capps is a chartered accountant with 14 years of experience in financial consulting and assisting players in Real Estate and Private Equity.

He assists French and international real estate investment funds throughout their entire investment cycle from acquisition to transfers, to operation, realization, and portfolio arbitrage. As a specialist in regulatory structures (OPCIs, SCPIs, REITs, and FIAs), he assists his clients with structuring, reporting, valuation, and compliance challenges within demanding financial and regulatory environments

With this appointment of partner, Primexis strengthens its expertise dedicated to real estate investment and helps with structuring and securing highly challenging transactions for professionals in the sector.

Julien Beaucé appointed Corporate & Fund Services Director

Julien Beaucé has worked with investment funds to structure and organize their finance functions for 10 years.

He works on the entire investment life cycle, from the initial structuring to acquisitions or transfers, and on improving the reliability of NAVs, intergroup financing, and carried interest and waterfall mechanisms. He has recognized expertise in multi-country and multi-standard environments.

This appointment is part of Primexis' efforts to strengthen its expertise in assisting international funds and their operational structures.

"Our clients are evolving in an environment where the complexity of transactions and the weight of regulatory obligations have never been higher. With these appointments, we are increasing our ability to assist them on a long-term basis. Jack and Julien combine technical and operational expertise that has become vital in the real estate and capital investment market."

— Olivier Touchard, Chairman at Primexis
